Grants and Loans

Atelier Esthétique Institute of Esthetics is approved to participate in the following programs.

- o [Federal Pell Grant](#)
- o [William D. Ford Federal Direct Loan Program](#)
- o [Veteran's Education Benefits](#)

Federal Pell Grant (PELL)

Pell grants are the foundation of federal student financial assistance to which aid from other federal and nonfederal sources might be added. These grants are generally awarded to undergraduate students and the award amounts can change yearly. Unlike loans, grants are not repaid unless, for example, you withdraw from school prior to the planned program completion date. All federal grants are awarded to students with financial need. The amount of your Federal Pell Grant depends on your cost of attendance, expected family contribution,

enrollment status (full or part-time) and whether you attend for a full academic year or less. For more information visit [Federal Pell Grant](#).

William D. Ford Federal Direct Loan Program

Student loans, unlike grants, are borrowed money (monies) that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible students and parents borrow directly from the U.S. Department of Education. For more information visit [William D. Ford Federal Direct Loan Program](#). There are three types of loans in the program:

- **Subsidized Stafford Loan** -- A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and for the first six months after you leave school (grace period). The amount of the loan cannot exceed a student's financial need. For more information visit [Subsidized Stafford Loan](#).
- **Unsubsidized Stafford Loan** -- A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department does not pay interest on subsidized loans. A student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it is paid in full. The fixed interest rate of 6.8 percent can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan. For more information visit [Unsubsidized Stafford Loan](#).
- **PLUS Loans** -- Parents of dependent students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant must not have an adverse credit history. The repayment period will begin on the date of the last disbursement of the loan and there will be a fixed interest rate of 7.9 percent for the Direct Loan. For more information visit [PLUS Loans](#).
-

Veteran's Education Benefits

We are approved for Veteran's Educational Benefits for veterans, eligible dependents of deceased or disabled veterans and active status National Guard and Reserve personnel. Any student interested in this type of benefit must verify with the school representative that the school is eligible for benefits. For more information visit: www.gibill.va.gov.

Financial Aid is available for those who qualify and the student is subject to the applicable terms of the scholarships, loans or grants for which they applied.

All students participating in the **William D. Ford Federal Direct Loan Program** must complete Entrance and Exit Counseling regarding the responsibilities of obtaining an educational loan and repaying the loan, at <https://studentloans.gov/myDirectLoan/index.action>
